

## **Middleton Railway Trust Ltd. Party Booking Brochure Page 2 Content**

We have received reports from iPad users who have upgraded to iOS 11.4.1 that when they try to access our Party Booking Brochure, their device only displays page 1 of the brochure. Since this is an Apple problem rather than a problem with our website or brochure, we can't fix it, but to enable you to work round it this document contains the information that appears on page 2 of this brochure.

### **What happens on the day**

The birthday coach is specially reserved & decorated for your exclusive use. Your children can enjoy their party with their friends whilst the train travels between Moor Road and Park Halt stations on our normal passenger service. Leave the train at Park Halt if you like and explore the Ancient Woodlands of Middleton Park, returning to the train when you wish (within 2 hours of first boarding the train).

You are welcome to bring your own food for consumption on the train or at Park Halt.

Hot and cold drinks and confectionary are available at the Moor Road shop.

If you wish we can provide food for your party, supplied by Megabites of Rothwell, from £5 per head. Please ask for further details.

Sorry, but your own party food cannot be eaten in our cafe area, nor games played inside that area.
